**Welcome to the Kansas City Metropolitan Area!** With a regional population of over 2 million people and more than 150 Rotary Clubs, our community is proud to offer a vibrant and welcoming network of service, fellowship, and global connection. Whether you are here for a short visit or an extended stay, we invite you to experience the warmth and energy of Rotary in our region.

**In this guide**, you will find opportunities for **both local and visiting Rotarians** to attend meetings, participate in service projects, and connect with fellow Rotarians who share your commitment to Service Above Self. We are honored to host you this summer and hope your time in Kansas City is both meaningful and memorable.
